HORIZONS

HORIZONS

Our children visiting their counterparts in France

None of this happens without support – so please come along to our fundraising TREASURE HUNT and BBQ

Hear their stories

This is an invitation to all families and those young in heart within the parish. It is summer and why not join us for a fun event to kick start your Sunday. We have personally invited the families of the children from the primary school who have been on an exchange with our twinned communities in Le Pre D'Auge and Les Monceaux in France at the beginning of July. This will be an opportunity to meet with them, hear about their visit and share experiences of France and French culture.

French visitors to the school

On SUNDAY 17 JULY you are invited to take part in a Walking Treasure Hunt which begins at 18 Wilton Way (home of Viv and Ced Bell), takes you on a tour of the village finding the clues and ending at the home of Brian Mackness, Fairfield in Vicarage Road. Here there will be a barbecue and drinks for all. The clue sheets will be available from 11:00am until noon and food will be ready at Fairfield from noon onwards. To encourage families to attend we are only charging £5 per adult for a ticket with accompanying children free. This will entitle the ticket holder to an item from the barbecue, a drink and an ice cream. Further items may be purchased separately.

Please do come along for what will be a fun event and bring your friends. (Should it be wet we shall meet in Church House.) To help with the catering please let us know if you will be attending - Andrew Rose aprose53@hotmail.com or 01626-351886, Julie Arrow juliearrow@gmail.com or 01626-356877.

WIDENING OUR CULTURE
